

## 4 in 1 Multi-functional Optical Fiber Stripper GW-M4

### Main Features:

- Integrates tri-hole fiber optic stripping, drop cable wire stripping, Kevlar cutting and fiber cleaning , no need to carry individual strippers, Kevlar scissors and cleaning wipes.
- Avoids frequent tool changes in fiber stripping.
- Improves working efficiency

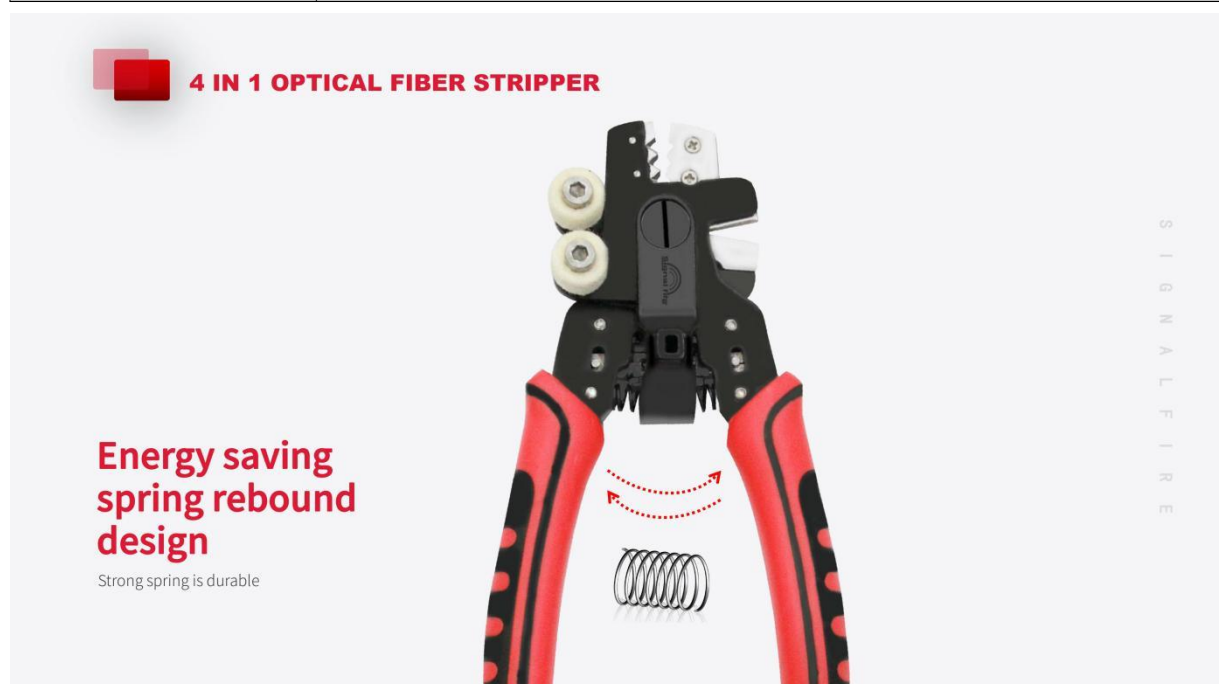

### Specifications :

Model Number	GW-M4
Material	High-Carbon Steel
Handle Color	Red
Handle	Ergonomic
Size	Length 163mm, width: 82mm
Weight	200g
Package	Blister card
Package size	230x120mmx30mm/piece
Package weight	250g/piece
Accessories	Replacement cleaning cotton (2 rolls )
Application	FTTH terminal connection and fusion splicing

### Functions:

1. Tri-hole stripper	First hole: Stripping 900 um buffer Second hole Stripping 2-3 mm jacket Third hole: Stripping 125 um Acrylate
2.Drop cable stripper	For cable diameter 2.0~3.0mm FTTH drop cable
3.Kelvar scissors	Cutting Kelvar
4. Cleaning cotton	Cleaning the fiber debris

## 4 IN 1 OPTICAL FIBER STRIPPER

### 4643 Advanced stainless steel

High temperature quenching, sharp wear-resisting edge, through 21 processes grinding forging
